RE: Former Aubrey Manufacturing NFA Determination RCRA ID: ILD 005 238 159

Dear Mr. Miceli:

The U.S. Environmental Protection Agency has completed its No Further Action (NFA) Determination for the Former Aubrey Manufacturing Facility, now owned by Miceli Drapery. Based on EPA's review of the closure documentation for the surface impoundment at the former Aubrey Manufacturing; EPA's site visit on July 31, 2015 of Miceli Drapery; and the institutional controls on groundwater use at the property, further corrective action at the facility is not necessary at this time. Additional details are in the enclosed NFA Determination.

Thanks for your cooperation in this matter. Note that if new information becomes available regarding releases at the Facility, this determination may be reevaluated by EPA. If you have any questions, please contact me at [Gmitro.Todd@epa.gov](mailto:Gmitro.Todd@epa.gov) or (312) 886-5909.

Sincerely,
